## OUR MISSION, VISION AND VALUES

The Trust has a clear **mission** at its core, ensuring that all pupils are enabled to flourish, rooted in God's Love - academically, socially, spiritually, physically and mentally. This is central to our work and rooted in our Christian foundation (John 10 v 10). Our commitment to mutual flourishing within the school community is built upon our shared belief in Church of England principles. In our Trust, just as in the wider Church of England community, 'flourish' refers to prospering, thriving and growing – not shrinking out and dying. It means prayerfully encouraging all within our schools so that they might prove fruitful, successful and contented in the longer term. We seek to provide space generously for all to flourish in life and all its structures. Equitable treatment for all pupils, staff and the wider community is a core part of enabling this long term, holistic flourishing.

We have a clear **vision** about creating successful schools for the benefit of their communities. We expect any school in the Trust to continuously improve, and those graded by OFSTED as RI/Serious Weaknesses/Special Measures to make rapid progress and be able to secure an OFSTED grading of at least "Good" within 3 years post-conversion. All schools provide rich and diverse curricula which evolve to meet the needs of their children and local communities, as well as delivering educational excellence to enable them to continue to flourish in later life.

The way we work and deliver against our mission is critical to our Trust. We have shared, agreed **values** of:

Hope; Nurture; Equality; Respect; Collaboration.

The Trust's vision is underpinned by a Christian values framework which is adopted by all schools. It provides clear expectations for all Trust employees on how we wish our values to impact on all areas of school life. It draws on, and is informed by, the National Church of England Vision for Education and the Diocesan Board of Education Vision.

Each school within the Trust has a personalised vision for education, developed locally to reflect the individual character and needs of the school community. This vision is underpinned by the Trust's wider vision, and agreed with the Trust, but it is owned and driven by the headteacher and their LGB.

## OUR COMMUNITY

The Trust are dedicated to delivering education that serves local communities. Our schools are inclusive, welcoming those from all and no faiths, from all abilities and backgrounds. We believe in providing a high-quality education, underpinned by Christian values, which enables every child to flourish.

Underpinning all of the Trust's work is a belief in educational excellence. The Trust serves all stakeholders by providing schools with the highest levels of academic rigour and pastoral care.

Our schools are places where children and young people develop and thrive intellectually, socially, culturally and spiritually. All of the Trust's schools teach a broad and balanced curriculum within national guidelines focusing on core skills. This is designed to ensure that all pupils reach their academic potential and seek to enrich their experience along the way. Pupils will be enabled to succeed in an atmosphere of high expectation, aspiring to educational excellence with a firm foundation of values.

*Enabling all to flourish: Rooted in God's love*

This policy forms part of our Trust governance and ensures that we are held to the highest standards as we carry out our duties.

## STATEMENT OF INTENT

This is the Diocese of St Albans Multi-Academy Trust (DSAMAT) Attendance policy and must be implemented and adhered to in each of the academies within the Diocese of St Albans Multi Academy Trust. For the remainder of this document, the Diocese of St Albans Multi Academy Trust will be referred to as DSAMAT.

## 1. AIMS

Wenlock CE Academy (WCEA) recognises that positive behaviour and good attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age (term after fifth birthday and last Friday in June for Year 11) to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education other than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly and on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school
- Promote children's welfare and safeguarding.
- Ensure that pupils succeed whilst at school
- Ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.
- Give parents/carers details on attendance in our newsletters

*Enabling all to flourish: Rooted in God's love*

- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Reward good or improving attendance;

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is a rule of this school that pupils must attend every day, unless there are exceptional circumstances, and it is the headteacher, not the parent, who can authorise the absence.**

## 2. LEGISLATION AND GUIDANCE

New legislation was passed in Spring Term 2024. The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office via Arbor.

### **3.6 School office staff**

School office staff will:

*Enabling all to flourish: Rooted in God's love*

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the pastoral lead or DSL where appropriate, in order to provide them with more detailed support on attendance

### 3.7 Parents

WCEA uses Studybugs to collect absence information from parents. The app can be found here: [Studybugs – Sign In](#)

WCEA also has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorised or unauthorised.

Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained within the NHS and Luton Borough Council Guidance on School Absence and Childhood Illness.

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day/timetabled session on time
- Call the school to report their child's absence before **8:30am** on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with WCEA and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Mr Clark (Pastoral) or Miss Dearman (Safeguarding) who can be contacted via 01582 730624.

### 3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

*Enabling all to flourish: Rooted in God's love*

## 4. RECORDING ATTENDANCE

### 4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:50 am and ends at 3:30 pm. The school gates open at 8:30 am.

The register for the first session will be taken at 9am and will be kept open until 9:10am. The register for the second session will be taken at 12:45 (Y3 & 4) and 1:30 (Y5 & 6) and will be kept open until 12:55 and 1:40.

### 4.2 Unplanned absence

Unauthorised absence includes, (however this list is not exhaustive):

*Enabling all to flourish: Rooted in God's love*

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- absences which have never been properly explained;
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an unauthorised absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:30am, or as soon as practically possible, by notifying StudyBugs or calling the school office, who can be contacted via 01582 730624.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

### 4.3 Planned absence

**Authorised absences** are morning or afternoon sessions away from school for a genuine reason such as illness (although you will be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments that unavoidably fall in school time, emergencies, or other unavoidable cause.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment and provides evidence (such as dental text messages).

Leave of absence request forms are available from the school office.

However, we encourage parents to make medical and dental appointments outside of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

### 4.4 Lateness and Punctuality

A pupil who arrives late:

*Enabling all to flourish: Rooted in God's love*

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good timekeeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.

**The times of the start and close of the school day for all pupils at WCEA are:**

Gates open: **8.30 am**

Registration starts: **8:30 am**

Registration closes: **9:15 am**

End of the school day: **3.30 pm**

**How we manage lateness:**

- The school day starts at **8.30 am** when children can begin to come into school for reading and take up tasks;
- Registers are taken from **8:30 am**;
- Children arriving after **8:50 am** are required to come into school via the school office, accompanied by a parent/carer. They must sign them into Inventory as Late and provide a reason for their lateness, which is recorded;
- At **9:15 am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- The school may contact parents/carers regarding punctuality concerns;
- From time to time, a member of the school staff will undertake a 'Late Gate' check to greet late arrivals at the main entrance to the school.

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with the pastoral team lead by Mr Clark, but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality.

#### **4.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend or stops attending without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit. If there is a safeguarding concern the local authority MASH team and/or police may be contacted.
- Identify whether the absence is approved or not

*Enabling all to flourish: Rooted in God's love*

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below),
- **If absence continues we will:**
- Write to you if your child's attendance is **below 95% / causing concern** and/or where punctuality is a concern;
- Arrange a meeting so that you may discuss the situation with our Senior Attendance Champion
- Create a personalised support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child.
- Offer signposting support to other agencies or services, if appropriate.
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

## 4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence via study bugs.

- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance 97%.

## 5. AUTHORISED AND UNAUTHORISED ABSENCE

### 5.1 Approval for term-time absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. **Ensuring a child's regular attendance at school is a parental responsibility** and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

*Enabling all to flourish: Rooted in God's love*

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

*Enabling all to flourish: Rooted in God's love*

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## 5.2 Sanctions

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10 school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three year period will result in a fine of £160 per parent, per child. If a third offence is committed, the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

**(See Annex B)** for the Luton Code of Conduct.

**There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours.** In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers **may not** grant any leave of absence during term time unless there are "exceptional circumstances" and they **do not** have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Luton Code of Conduct, in respect of each parent believed to have allowed the absence.

*Enabling all to flourish: Rooted in God's love*

The headteacher/school may discuss the leave of absence request with other education settings and/or the Local Authority to determine any exceptional circumstances.

If leave of absence is authorised, the school will not provide any work for children to do during their absence. Parents are however advised to read with their children and encourage them to write a diary while they are away.

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### **Penalty notices**

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (4 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

## Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## 6. STRATEGIES FOR PROMOTING ATTENDANCE

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Reward good or improving attendance;

## 7. SUPPORTING PUPILS WHO ARE ABSENT OR RETURNING TO SCHOOL

Children may occasionally have time off school because they are too unwell to attend, consequently, this may result in their reluctance to return to school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional well-being support services, a Child and Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider

*Enabling all to flourish: Rooted in God's love*

what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these pupils, however we will work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A for summary tables of responsibilities for school attendance.

### **7.1 Pupils absent due to complex barriers to attendance**

Children may occasionally have time off school because they are too unwell to attend, consequently, this may result in their reluctance to return to school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these pupils, however we will work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

### **7.2 Pupils absent due to mental or physical ill health or SEND**

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority. Please inform the SENDco or Pastoral team if you require any support in your pupil accessing their full time right to education.

If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional Wellbeing support services, a Child and Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

### 7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Sometimes, after a long absence due to a medical need or other unavoidable absence, pupils may feel worried about returning to school. In this situation, please contact the pastoral team so they can support you both in the return. To help with return adjustments such as soft starts, using the school office to enter school or having a particular pastoral team member for check-ins can be set in place.

### 7.4 Deletion from Roll

For any pupil leaving WCEA, *other than at the end of year 6*, parents/carers are required to complete a '**Pupils moving from school**' form which can be obtained from the school office. This provides the school with the following information: Child's name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and may appropriately safeguard all of our pupils, even those who leave us.

It is crucial that parents keep school updated with current addresses and contact details for the pupil and key family members, in case of emergency.

Under Pupil Regulations 2006, all schools are now **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the pupil being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register. This duty does not apply when a pupil's name is removed from the admission register at a standard transition point – when the pupil has completed the final year of education normally provided by that school.

## 8. ATTENDANCE MONITORING

### DSAMAT Attendance reviews

The Diocese of St Albans MAT conducts annual Attendance Reviews (run by the Education Cluster Leaders) within each school to monitor and review Attendance and Absence figures, analysing pupil groups and different cohorts with each school's distinctly different context. The review will consider the following:

- Data Summary: Overall data, Disadvantaged, Boys/Girls, LAC/PLAC, SEND, SEND (EHCP), Other groups which may be specific to each school e.g. GRT, NRPF.
- How data presents at that point in time and how it has changed over time.
- Authorised / Unauthorised absences.
- Exceptional Circumstances Authorised absence. Rationale for the use of exceptional criteria
- Persistent Absence – reasons for this and actions to reduce.
- Barriers to good attendance and actions taken to reduce/remove the barriers
- Case Studies of successes and what can be learned from these to inform other cases across the Trust
- Suspensions and Exclusions, where applicable.

*Enabling all to flourish: Rooted in God's love*

- In year leavers, numbers of and reasons for leaving.
- Discussion about leadership and management of attendance, systems and processes in place to record, review and analyse attendance, CME procedures and off-rolling procedures.

Each DSAMAT Attendance review is summarised within a report which details strengths and areas for further development (which sits in the school's success tracker). This report is shared with the Headteacher / Senior leader / Attendance Officer, Cluster Lead and DSAMAT Executive team/ The Headteacher shares the report with the LGB as part of the Leadership report, and the CEO shares a summary of Trust-wide reports with the Trust Board Education and Ethos Committee

The Headteacher ensures that action is taken for all recommendations from the annual audit, and the Cluster Education Leaders will receive this information and impact data.

### **8.1 Monitoring attendance**

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the LGB. The Executive Leadership Team will share Trust wide attendance data with the Education and Ethos Committee regularly alongside the most up-to-date national figures.

### **8.2 Analysing attendance**

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance and;
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence.
- Conduct a thorough analysis of half-termly, termly, and full-year data to identify patterns and trends.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### **8.3 Using data to improve attendance**

WCEA will:

*Enabling all to flourish: Rooted in God's love*

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

## 8.4 Reducing persistent and severe absence

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and cooperation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a Persistent Absentee.

A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent**'. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions

*Enabling all to flourish: Rooted in God's love*

- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

Local Authority Attendance Specialists work strategically by offering support to schools to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice (**see Annex B**) for the Luton Code of Conduct or prosecution in the Magistrates Court.

## 9. MONITORING ARRANGEMENTS

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Trust and then localised by the Headteacher. At every review, the policy will be approved by the full governing board.

## 10. LINKS WITH OTHER POLICIES

This policy links to the following policies:

- Child protection and safeguarding policy
  - Behaviour policy

### Helping parents to understand the changes to fines for term time leave

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

#### **Who may be fined?**

Penalty Notice Fines are issued to each parent who allows their child to be absent from school. For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

#### **National Threshold**

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.  
For example: a 5 day holiday would meet the national threshold.  
The 10-school week period can span different terms or school years.

### **First Offence**

The first time a Penalty Notice is issued for an unauthorised leave of absence (ULA) the fine amount will be: £80 per parent, per child if paid within 21 days. Increasing to £160 if paid between days 22-28.

### **Second Offence**

The second offence (within 3 years)

The second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent (who allowed the term time leave) per child, payable within 28 days.

### **Third Offence and Any Further Offences (within 3 years)**

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
