

## YEAR 4 HOME LEARNING PICK AND MIX GRID

	History	RE / PSHE	French	The Arts	Science
Expand	Can you choose your favourite Ancient Sumer invention and research the importance behind it for what we use today.	Create a poster about Islam and the Prophet Muhammed and his role in the beliefs of Islam. <i>Remember the Prophet Muhammed should not be drawn!</i>	Create a poster for the new year 3's to tell them what they might find in their new classrooms.	Draw and research a famous statue and its artist. (Who, Where, what, why is it so famous? Why did you choose this statue)	What is electricity? How is it used? What is it measured in? What objects in your house use electricity?
Creative	Create your very own message to someone explaining life in Ancient Egypt using Hieroglyphics. Remember the Egyptians didn't have any paper, how could we show this?	Create a memory box that is filled with things that help us remember loved ones.	Create and label, in French, a model of your house. Showing room names.	Design or create a costume to represent the music and culture of Samba carnival celebrations in South America	Create your own circuit with the correct components (Be creative with what you use to represent each component)

Aim to bring in at least 6 pieces of work across the term.
