‘With God’s love, we are lights for the world’

Positive Relationships

With God's love in our hearts, we are eager to reach our goals and stretch our limitless imaginations to build our futures and create aspiring leaders. Everyone is welcomed and respected for their unique contributions as we flourish and grow. Our Christian values help us to keep safe, go above and beyond to build the foundations that shape our school.

Positive Behaviour

ATTENDANCE

Good attendance means being in school 184 to 190 days a year

When pupils attend school they can: achieve their full potential, have better career prospects and life chances, learn how to look after themselves and be healthy, form friendships and keep up with work and homework

Our door is always open if you would like to speak to us regarding any difficulties you are having with your child's attendance. Please make an appointment to speak to us with the office.

...safeguarding has had a high priority in school improvement actions. Leaders have targeted all areas of practice to ensure there are shared, high standards for the safety and well-being of pupils. As a result of effective and ongoing training, staff are beginning to demonstrate strong understanding of their roles and responsibilities to safeguard pupils.

- Hairstyles and headwear.
- Jewellery and other accessories.
