Online Safety Update

What Parents & Carers Need to Know about

In October 2022, the enormously popular social media network Twitter was purchased by tech tycoon Elon Musk. That sparked a host of changes to the platform – not all which have been received positively by its fans. The alterations have continued with each passing month, many of them raising online safety concerns among the 530 million users of Twitter (now rebranded as simply X). With further adjustments reportedly in the pipeline, X has attracted more than its usual share of controversy and caution in recent times.

WHAT ARE THE RISKS?

A BLOCK ON BLOCKING

X has announced plans to remove its blocking feature. Previously, this stopped other users from viewing your profile or sending you direct messages, while also hiding their posts from your feed. Only this latter function will now remain. The decision has been criticised by some members, who feel that blocking (in its current form) protects them from X users who 'promote denial and hatred'.

LIMITED REPORTING FEATURES

X offers a premium membership, with some functionality (such as controlling who can view and reply to your posts) increasingly being made exclusive to those who pay the subscription fee. Several commentators have speculated that X could one day become an exclusively paid-for service, with access to accounts being revoked for anyone unwilling or unable to take out a subscription.

AGE-INAPPROPRIATE CONTENT

Many of X's less age-appropriate posts can feature anything from extreme political views to pornography. While accounts marked as 18+ are restricted from non-members, it's still fairly easy to stumble across this material accidentally. X's new 'For You' page also shows content from accounts that a user *doesn't* already follow – meaning that almost anything could end up on a child's feed.

VERIFICATION FOR SALE

Historically, Twitter's moderators granted account verification: certifying someone as authentic by placing a blue tick next to their username. One of X's earliest changes was to place verification behind a paywall; this caused the number of celebrity impersonators to rise and left no way to distinguish, say, a legitimate influencer from a copycat fake account seeking to exploit other users.

BLUE TICK SALE

Advice for Parents & Carers

PROTECT PRIVACY

Unsavory characters may try to gain access to a young person's X account – either to view their posts and gather information on them, or to completely take control of it. To minimise risk, ensure the account has a strong password and enable the 'Protect Your Posts' feature (via the account settings), so that strangers can't view your child's posts without first being approved as a follower.

DON'T RISE TO THE BAIT

To gain more views and followers, some X users post deliberately inflammatory comments on sensitive topics such as race, sexual orientation and gender issues. Many young people could find this upsetting. Emphasise that, if your child encounters someone spreading hate on X, it's best not to give that person what they want: an argument. Ignore them, mute their account and move on.

STAY ALERT FOR IMPOSTERS

Make sure your child understands that X's blue ticks no longer guarantee the identity of anyone on the platform. While it might be exciting if a celebrity liked your child's post, it could just as easily be an imposter with malicious intentions. If your child's not 100% sure that an X user actually is who they claim to be, advise them to err on the side of caution and avoid interacting with that account.

ONLY FOLLOW TRUSTED ACCOUNTS

Using the 'Following' tab on X helps to ensure that the only content your child sees has come from accounts they've chosen to follow; this should reduce the chance of them inadvertently being exposed to harmful, violent or explicit content. Show your child how to report another user's account if, say, they're behaving inappropriately by spreading misinformation or offensive opinions.

BE READY TO TAKE ACTION

If your child suffers harassment on the platform or becomes the target of a hack, you could consider deactivating their account entirely. Recently, X's safety features have been criticised for allegedly failing to protect users' wellbeing – so if your child is being subjected to abusive messages or similar mistreatment on the platform, it might be prudent to remove them from X altogether.

#WakeUpWednesday

This term we will be focussing in school on the value COMPASSION. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Compassion

Compassion is about 'standing in someone else's shoes' when they are having a hard time. In other words, trying to understand how they might be feeling and doing our best to try to help.

Talk together about:

- how we can show **compassion** and kindness to one another at home
- recognising when friends at school need us to listen and act with **compassion**
- stories in the news demonstrating how strangers show **compassion** in times of natural disasters
- how nations show **compassion** to other nations at times of disaster or need by sending money or volunteers to help

THINK TOGETHER Words of Wisdom

"No act of kindness, no matter how small, is ever wasted."

Aesop

READ TOGETHER...

The good Samaritan

When someone asked Jesus the question, "Who is my neighbour?" he told a story that surprised everyone who heard it. The hero was from Samaria but those listening were mainly Jews. (Jews and Samaritans usually kept well away from each other.)

"A man set out on foot from Jerusalem to a town called Jericho", said Jesus. The crowd murmured and exchanged knowing glances. They knew this was a lonely, dangerous road, a favourite place for robbers to attack travellers. "As the man reached a rocky and desolate place, a gang of robbers leapt out and beat him. They took all that he had and left him bleeding and bruised. To the man's relief, he saw in the distance a priest from the temple. A priest is bound to help me, thought the man. He waited until the priest came a little closer and then called out, 'Thank goodness it is you. Please Sir, take me to safety.' But to his amazement the priest hurried past pretending not to see or hear him.

As the poor, injured man grew weaker and weaker in the burning midday sun, he once again heard footsteps. Looking up he saw a Levite, another of his own people. 'Please Sir, please help me', he called out. Surely this Levite would take pity on him, but to his horror the Levite just kept on walking.

The man had almost given up hope when he felt a gentle touch on his shoulder. A stranger, a Samaritan, had bent down beside him and was bandaging his wounds and giving him sips of water to drink. The Samaritan helped the man on to his own donkey and slowly, carefully took him all the way to an inn. There he paid the innkeeper to look after the man until he was well. The man never forgot the **compassion** and kindness of the Samaritan stranger."

"Who do you think was a good neighbour?" asked Jesus.

FAMILY FOCUS

Random Acts of Kindness

Kindness is often appreciated most when it is offered at unexpected times.

Choose one week this term for your family to have "a random acts of kindness" week, and do something kind for someone each day. Try to do it without telling people it was you!

www.randomactsofkindness.org

HOME-SCHOOL CHALLENGE

Helping hands

As well as being kind and showing **compassion** in what we say, it is often what we *do* that other people remember.

Draw and cut out the shape of each person's hand in your family. Decorate it with all the random acts of kindness that they have shown. Mount the hands of each member of your family on some paper so they look fantastic and ready to be displayed.

FASCINATING FACTS

What a difference **compassion** and kindness can make!

Numerous charities help people who have been hurt, are ill or suffer through lack of resources. Below are just 3:

- **World Vision** encourages individuals and groups to 'Sponsor a Child' in an area of the world where food, health and education cannot be taken for granted. For just 75 pence a day the life of a child, in for example Uganda or Bolivia, can be transformed by providing help to grow food, source clean water, improve health services and pay for education.

www.worldvision.org.uk

- **Help for Heroes** was set up after many British soldiers returned from war zones in Iraq and Afghanistan. By giving to this charity the public show their **compassion** for the soldiers and their families and recognise the service they gave on behalf of us all.

www.helpforheroes.org.uk

- **Help the Hospices.** Sometimes when people become very ill they go to a hospice which will provide them with care and **compassion**. Often hospices are maintained by donations from people who admire and value their service or who have had a relative who has been helped by the hospice.

HALL OF FAME

A famous bear with a spotty scarf

Pudsey Bear became a national mascot in 1985. He was designed by Joanna Ball and she named him after the small town in Yorkshire where she lived and went to school for many years, Pudsey.

When we see Pudsey Bear we immediately think of Children in Need. This charity has grown enormously since it began and raises millions of pounds every year. Thanks to people all over the country, children in the UK and across the world have come to know real kindness and **compassion**, made possible by generous donations to the charity. www.bbc.co.uk/childreninneed
