What Parents & Carers Need to Know about

DISNEY+

WHAT ARE THE RISKS?

The Walt Disney Company's streaming service, Disney+ combines entertainment from the famous animation studio itself with Pixar, Star and National Geographic, plus the Marvel and Star Wars franchises. With access to the latest releases, Disney classics and original series, there's plenty of content to explore. While parents may have noted that adverts have now been introduced on some versions of the service, the platform is – unsurprisingly for a Disney product – designed to be appropriate for the whole family.

LESS SUITABLE CONTENT

While Disney+ is predominantly family friendly, there are some movies and shows in its library which are aimed at an older audience: these may scare younger ones or contain themes or language that you'd rather your child wasn't exposed to. You could avoid such situations by enabling Junior Mode (see 'Adjust content settings', below) or specifying a content age rating for your child's profile.

BINGE WATCHING

With the option to view content on any internet-enabled device and a growing catalogue of movies, cartoons and documentaries, Disney+ can make managing screen time difficult. This could result in children binge watching content, distracting them from activities like homework or socialising. Too much screen time has also been shown to negatively impact mood, sleep patterns and weight.

PHISHING EMAILS

Be especially cautious if you receive emails or text messages purporting to be from Disney+. There have been numerous reports of online scammers impersonating Disney+ staff in an attempt to gain access to subscribers' personal information. Disney+ states it will never email or call customers asking for their payment details, their private information or their password.

ENCROACHING ADVERTS

Disney+ has introduced a new subscription package – Disney+ Standard with Ads – which plays commercials before movies and during shows (like many TV channels). There are no adverts in Junior Mode, but profiles with a content rating of 6+ years will see ads appropriate for that age category. Adults who give consent will see personalised adverts based on their location and viewing history.

ACCESSING ADULTS' PROFILES

If adults don't set a PIN for their profile, children could access it and encounter content which isn't age appropriate. In the settings, Junior Mode has a toggle titled 'Kid-Proof Exit' which requires the user to read four words (numbers, spelled out) and enter them to switch profiles. For older children who can read, though, this isn't secure enough – so using a PIN for adult profiles is recommended.

Advice for Parents & Carers

ADJUST CONTENT SETTINGS

When setting up an account, there's an option to create profiles in what's called Junior Mode. This generally covers material that's suitable for children up to age 6 and is therefore fairly limited. You can give older children a wider choice of viewing by building a standard profile, then going into the settings and choosing a content rating from one of the pre-set alternatives: 6+, 9+, 12+ or 14+.

TURN OFF AUTO-PLAY

When a cartoon, show or movie finishes, Disney+ uses algorithms to identify content with similar themes, which it thinks your child will also enjoy. This suggestion will then automatically begin to play by default. There's an option to turn off this auto-play function in the profile settings, which will encourage your child to take a break from the screen and move on to a different activity.

ADD PIN PROTECTION

Disney+ enables you to effectively lock profiles behind a four-digit PIN. In particular, some of the shows on the platform's Star content hub are far more oriented to adults (including several hard-hitting dramas from US networks), so protecting parents' or older siblings' profiles with a PIN will help to prevent younger children stumbling across material which isn't intended for them.

ENJOY AS A FAMILY

When your child watches a movie or show on Disney+ for the first time, you may want to sit with them to ensure it's suitable. You could do the same when introducing them to older films that you haven't seen for years: your perception of what's appropriate has very probably changed, and some of the language and attitudes in movies from your own childhood may seem quite shocking today.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

This term we will be focussing in school on the value COMPASSION. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Compassion

Compassion is about 'standing in someone else's shoes' when they are having a hard time. In other words, trying to understand how they might be feeling and doing our best to try to help.

Talk together about:

- how we can show **compassion** and kindness to one another at home
- recognising when friends at school need us to listen and act with **compassion**
- stories in the news demonstrating how strangers show **compassion** in times of natural disasters
- how nations show **compassion** to other nations at times of disaster or need by sending money or volunteers to help

THINK TOGETHER Words of Wisdom

"No act of kindness, no matter how small, is ever wasted."

Aesop

READ TOGETHER...

The good Samaritan

When someone asked Jesus the question, "Who is my neighbour?" he told a story that surprised everyone who heard it. The hero was from Samaria but those listening were mainly Jews. (Jews and Samaritans usually kept well away from each other.)

"A man set out on foot from Jerusalem to a town called Jericho", said Jesus. The crowd murmured and exchanged knowing glances. They knew this was a lonely, dangerous road, a favourite place for robbers to attack travellers. "As the man reached a rocky and desolate place, a gang of robbers leapt out and beat him. They took all that he had and left him bleeding and bruised. To the man's relief, he saw in the distance a priest from the temple. A priest is bound to help me, thought the man. He waited until the priest came a little closer and then called out, 'Thank goodness it is you. Please Sir, take me to safety.' But to his amazement the priest hurried past pretending not to see or hear him.

As the poor, injured man grew weaker and weaker in the burning midday sun, he once again heard footsteps. Looking up he saw a Levite, another of his own people. 'Please Sir, please help me', he called out. Surely this Levite would take pity on him, but to his horror the Levite just kept on walking.

The man had almost given up hope when he felt a gentle touch on his shoulder. A stranger, a Samaritan, had bent down beside him and was bandaging his wounds and giving him sips of water to drink. The Samaritan helped the man on to his own donkey and slowly, carefully took him all the way to an inn. There he paid the innkeeper to look after the man until he was well. The man never forgot the **compassion** and kindness of the Samaritan stranger."

"Who do you think was a good neighbour?" asked Jesus.

FAMILY FOCUS

Random Acts of Kindness

Kindness is often appreciated most when it is offered at unexpected times.

Choose one week this term for your family to have "a random acts of kindness" week, and do something kind for someone each day. Try to do it without telling people it was you!

www.randomactsofkindness.org

HOME-SCHOOL CHALLENGE

Helping hands

As well as being kind and showing **compassion** in what we say, it is often what we *do* that other people remember.

Draw and cut out the shape of each person's hand in your family. Decorate it with all the random acts of kindness that they have shown. Mount the hands of each member of your family on some paper so they look fantastic and ready to be displayed.

FASCINATING FACTS

What a difference **compassion** and kindness can make!

Numerous charities help people who have been hurt, are ill or suffer through lack of resources. Below are just 3:

- **World Vision** encourages individuals and groups to 'Sponsor a Child' in an area of the world where food, health and education cannot be taken for granted. For just 75 pence a day the life of a child, in for example Uganda or Bolivia, can be transformed by providing help to grow food, source clean water, improve health services and pay for education.

www.worldvision.org.uk

- **Help for Heroes** was set up after many British soldiers returned from war zones in Iraq and Afghanistan. By giving to this charity the public show their **compassion** for the soldiers and their families and recognise the service they gave on behalf of us all.

www.helpforheroes.org.uk

- **Help the Hospices.** Sometimes when people become very ill they go to a hospice which will provide them with care and **compassion**. Often hospices are maintained by donations from people who admire and value their service or who have had a relative who has been helped by the hospice.

HALL OF FAME

A famous bear with a spotty scarf

Pudsey Bear became a national mascot in 1985. He was designed by Joanna Ball and she named him after the small town in Yorkshire where she lived and went to school for many years, Pudsey.

When we see Pudsey Bear we immediately think of Children in Need. This charity has grown enormously since it began and raises millions of pounds every year. Thanks to people all over the country, children in the UK and across the world have come to know real kindness and **compassion**, made possible by generous donations to the charity. www.bbc.co.uk/childreninneed
