MESSAGE FROM OUR HEADTEACHERS

As another lively week draws to a close, we have been reflecting on just how much has been achieved across the school. It has certainly been a busy start to the term, filled with hard work, enthusiasm, and a great deal of exciting learning.

Walking around the classrooms, we continue to be impressed by the positive attitude our pupils bring to every lesson. There has been a real buzz of energy in every corner of the school. It is wonderful to see children challenging themselves, supporting one another, and taking pride in their achievements.

Thank you to all the parents who attended the two-parent partnership meeting. It was lovely to hear your views about the school. Due to their success, we are going to host them every half-term. The next meeting is on Wednesday, 4th March.

With plenty more exciting events and learning still to come, I am very much looking forward to the weeks ahead.

Ms Burke - Head Teacher
Mr Hudson - Head of School

January

We are a nut-free school to ensure the safety of children and staff with nut allergies. We would like to remind you that many chocolate spreads, including popular brands, contain hazelnuts. Please ensure that chocolate spread is not included in your child's lunchbox. Thank you for helping us keep all children safe.

Road Safety

To help keep all children safe, please ensure they are taught how to cross the road safely, particularly outside the school where traffic can be heavy.

A reminder to all drivers: It is **illegal** to stop or park on the yellow lines outside the school, as this creates a serious safety risk for our pupils and you may be fined.

Uniform Donations

We at Wenlock are always grateful for donations of pre-loved school uniform. If your children have outgrown any items, please feel free to drop them off with our reception team. Your contributions are greatly appreciated and go a long way in supporting our school community.

Wellies

The weather this winter is harsh and wet. We kindly ask that your child bring a pair of wellies to school to help them enjoy outdoor activities comfortably.

If your child has outgrown or spare wellies at home, we would greatly appreciate donations. These can be dropped off at our reception. We appreciate your support!

Snacks

Many thanks for providing your children with fruit and vegetables **ONLY** for snack time, and for continuing to avoid sending in any nut-related products. We really appreciate your support in keeping our school community safe.

As a reminder, grapes and cherry tomatoes should be cut into quarters lengthways to reduce the risk of choking.

PEACE

HOME SCHOOL VALUES

This term we will be focussing in school on the value PEACE
We hope your family will find these ideas helpful as you
explore the value and have fun together.

TALK TOGETHER

about Peace

In school, children will have been learning about different kinds of peace including peace that comes when it is quiet, the things that make for peace of mind and the qualities of a peacemaker. In this issue of Home School Values, we will be focussing on the last of these.

All families have disagreements and arguments from time to time.

- What are the things that cause members of your family to fall out?
- Are there particular times of the day that arguments happen?
- How do each of you feel inside at these times?

David Tries To Make Peace With King Saul

King Saul knew that he needed to keep an eye on young David. He had killed the giant, Goliath, and now people were saying that David should be king. David was a gifted musician and so Saul asked him to come and live in his palace and play soothing music to him when he was in a rage.

David became more and more popular and a good friend of Saul's own son Jonathan. Saul became more and more angry and jealous. Finally one day, as he watched David peacefully playing his harp Saul's fury erupted and he threw a spear at David narrowly missing him. David knew he must escape from Saul's palace and with Jonathan's help, he fled into the desert. Before long, hundreds of followers joined David. Saul was furious and, with 3000 of his finest soldiers, set out to hunt David down and kill him.

One day Saul and his men stopped by a huge cave. Saul went into the cave alone or so he thought! In fact, David and his friends had been resting in another part of the cave and when they saw Saul, David's men whispered, "This is your chance David. God has delivered Saul into your hands to deal with as you please. Let's kill him at once." David ordered his men to stay back while he crept forward and taking his knife from his belt, instead of killing Saul he simply cut off a corner of the king's cloak.

As Saul left the cave, David called after him, "My King, why do you think that I want to harm you and cause a rebellion? Look, here is a piece of your cloak! I could have killed you but I wish for only peace between us."

Saul was overcome with sadness for what he had done. "May the Lord reward you richly for the way you have treated me today. I know now that one day David you will indeed be king."

FASCINATING FACTS

The Nobel Peace Prize

Alfred Nobel was a 19th century Swedish inventor and engineer. He invented dynamite, which was used to destroy many things! Perhaps because of this, in his will, Nobel left money and instructions to award five special prizes each year. He said that one of these, the Nobel Peace Prize, should be given to a person, or group of people, who had done the most or best work to promote peace between nations.

- The Nobel Peace Prize is presented in Oslo on 10th December each year by the King of Norway
- The winner is given a diploma, a medal and over 1 million US dollars to carry on their work

FAMILY FOCUS

Becoming Peacemakers

HALL OF FAME

Rigoberta Menchu

Very few people had heard of Rigoberta Menchu when it was announced that she had won the Nobel Peace Prize in 1992. However, Rigoberta was one of the bravest women ever to have been awarded this prestigious prize. She was born in 1959 into a Mayan Indian family who lived and worked in Guatemala. The Mayan people were treated cruelly by the government and the army in Guatemala. The Menchu family were Christians and they believed it was their duty to fight against such injustice. The family learnt Spanish from the local priests so they could stand up for the rights of their people. One by one the members of the family were killed in the most dreadful way by the government soldiers, first Rigoberta's 16 year old brother, then her father because he was a union leader and then finally her mother. Rigoberta knew she would be next, so she escaped to Mexico where she wrote her life story and made a film about the bad things happening in Guatemala. Rigoberta continued to stand up against injustice and for more than twenty years worked as a UNESCO Goodwill Ambassador to promote a culture of peace and protect the rights of people to live in their own country.
