NUT-FREE

We are a nut-free school to ensure the safety of children and staff with nut allergies. We would like to remind you that many chocolate spreads, including popular brands, contain hazelnuts. Please ensure that chocolate spread is not included in your child's lunchbox.

Thank you for helping us keep all children safe.

Road Safety

To help keep all children safe, please ensure they are taught how to cross the road safely, particularly outside the school where traffic can be heavy.

A reminder to all drivers: It is **illegal** to stop or park on the yellow lines outside the school, as this creates a serious safety risk for our pupils and you may be fined.

Uniform Donations

We at Wenlock are always grateful for donations of pre-loved school uniform. If your children have outgrown any items, please feel free to drop them off with our reception team. Your contributions are greatly appreciated and go a long way in supporting our school community.

Wellies

Please have your child bring a pair of wellies to school to help them enjoy outdoor activities comfortably.

If your child has outgrown or spare wellies at home, we would greatly appreciate donations. These can be dropped off at our reception. We appreciate your support!

Snacks

Many thanks for providing your children with fruit and vegetables **ONLY** for snack time, and for continuing to avoid sending in any nut-related products. We really appreciate your support in keeping our school community safe. As a reminder, grapes and cherry tomatoes should be cut into quarters lengthways to reduce the risk of choking.

HOME SCHOOL VALUES

This term we will be focussing in school on the value JOY. We hope your family will find these ideas helpful as you explore the value and have fun together.

Key Words

Joy – A feeling of great happiness and delight that comes from within. Joy is more than just being happy in the moment; it's about finding pleasure in life and sharing positive feelings with others.

Happiness – A pleasant feeling of contentment and wellbeing. When we experience happiness, we feel good about ourselves and the world around us.

Gratitude – Being thankful and appreciating the good things in our lives, both big and small. Gratitude helps us notice and celebrate what brings us joy.

Celebration – Marking special moments, achievements, or events with enthusiasm and positivity. Celebrating together spreads joy throughout our community.

Here are some simple ways to bring more joy into your family life:

- Share what made you smile today – At mealtimes or bedtime, take turns sharing one thing that brought you joy during the day, no matter how small
- Create joyful moments together – Play games, dance to favourite music, cook a meal together, or simply spend time doing activities your child loves
- Notice and celebrate kindness – Point out when you see acts of kindness and talk about how spreading joy to others makes us feel good too
- Find joy in learning – Celebrate your child's achievements and efforts, whether it's mastering a new skill, trying something challenging, or showing curiosity about the world around them
- Laugh together – Share jokes, watch something funny, or simply be silly together – laughter is one of the simplest ways to experience joy!

We'd love to hear about the joyful moments you share as a family. Please do share these with your child's class teacher or on our school communication platforms.
